

USEPA Border Water Infrastructure Program (BWIP)

The US EPA's BWIP Program supports projects through Border Environment Infrastructure Fund (BEIF) or Project Development Assistance Program (PDAP) technical assistance. Organizations in both the U.S. and Mexico contribute to the total costs of projects.

BWIP FUNDING (BEIF and PDAP) FOR CERTIFIED WASTEWATER PROJECTS IN TIJUANA, January 2003 TO May 2023

Community	Project	EPA Approval	Certification	Total Cost (U.S. and Mexico)	BEIF* Funding	PDAP^ Funding	Total BWIP Funding	Construction Status (03-31-23)
Tijuana, B.C.	Expansion of the Wastewater Collection System for Coastal Areas	11/20/2008	12/16/2008	\$1,238,452	\$400,000	\$102,385	\$502,385	Construction complete
Tijuana, B.C.	Expansion of the Wastewater Collection System for Areas in the Tijuana River Basin	11/20/2008	12/16/2008	5,912,000	1,709,933	185,694	1,895,627	Construction complete
Tijuana, B.C.	Expansion of the Wastewater Collection System for the Unserved Area of Col. Alcatrazes	8/25/2008	5/20/2011	1,253,140	269,111	15,491	284,602	Construction complete
Tijuana, B.C.	Rehabilitation of the Wastewater Collection Main Lines and Residential Wastewater Connections	10/31/2012	12/3/2014	6,799,363	2,398,190	33,000	2,431,190	Construction complete
Tijuana, B.C.	Rehabilitation of the Collector Poniente	11/8/2017	11/9/2017	2,897,478	1,407,838	40,685	1,448,523	Construction complete
Tijuana, B.C.	Rehabilitation of the Collector Poniente: Segment 1A	5/3/2019	5/30/2019	6,460,000	2,244,347	-	2,244,347	Construction complete
Tijuana, B.C.	Rehabilitation of Collector Oriente	8/5/2020	8/21/2020	1,985,598	995,129	-	995,129	Under construction
Total				\$26,546,031	\$9,424,548	\$377,255	\$9,801,803	

BWIP FUNDING (PDAP-ONLY) FOR WASTEWATER PROJECTS IN DEVELOPMENT OR SUPPLEMENTAL STUDIES

Community	Project	EPA Approval	PDAP^ Funding	Contract Status (03-31-23)
Tijuana, B.C.	Tijuana River Diversion System - Diagnostic and Identification of Alternatives	1/23/2018	287,762	Complete
Tijuana, B.C.	International Collector Phase I Rehabilitation	9/25/2018	73,448	Complete/Certification pending
Tijuana, B.C.	Elaboration of the Cost-Benefit Analysis of Projects included in the MECAPLAN in Tijuana Baja California	11/23/2021	197,182	In Progress/LOI projects
Tijuana, B.C.	Tijuana River Barrier Flood Modeling	11/15/2022	26,970	In Progress
Total			\$585,362	

Notes:

* Border Environment Infrastructure Fund (BEIF). This program offers grant financing exclusively for the implementation of high-priority municipal drinking water and wastewater infrastructure projects located within 100 kilometers of the U.S.-Mexico border.

^ Project Development Assistance Program (PDAP). PDAP grants are available for planning studies, environmental assessments, final design, financial analyses and community participation efforts, among other activities

After EPA approval, projects must be certified by the NADBank Board of Directors to receive a BEIF grant.
